

# Heavens Knife

Take my hand I won't let go  
We've waited so long  
And all my life I walked alone  
To you, my heart, my home

Like the first man  
I was cut so deep by heaven's knife  
When I awoke from my sleep  
Oh my Lord, she's beautiful  
She's a part of me  
She's my wife

Bound by love  
One flesh to be  
An unbroken ring  
And I lay down  
My life for thee  
In this we are free

Like the first man  
I was cut so deep by heaven's knife  
When I awoke from my sleep  
Oh my Lord, she's beautiful  
Walking up to me  
Oh she's wonderful, standing next to me  
Oh she's all  
All that I can see, yeah  
She's beautiful, she's a part of me  
She's my wife
